

St. Ethelbert's RCP Mobile Phone Policy

Love, Care, Share...

Love learning as friends;

Care for our community as neighbours;

Share our faith in Jesus as disciples.

Our Aims

At St. Ethelbert's RCP School, we aim to:

- Ensure our environment is mobile phone-free by default
- Ensure the safe, responsible and lawful use of mobile phones, where applicable
- Provide clear guidelines for the use of mobile phones for pupils, staff, parents/carers, visitors and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Risk of theft, loss or damage
- Appropriate use of technology for learning purposes

Note: throughout this policy, '*mobile phones*' refers to mobile phones and similar devices.

2. Relevant guidance

This policy meets the requirements of section 36 of the [Children's Wellbeing and Schools Act 2026](#), and the Department for Education (DfE)'s [mobile phone guidance](#) and [behaviour guidance](#). Further guidance that should be considered alongside this policy includes [Keeping Children Safe in Education](#), which sets out the expectation that all schools should be mobile phone-free environments by default.

3. Roles and responsibilities

3.1 Staff

All staff (including teachers, support staff and supply staff) are required to actively enforce this policy and challenge any breach of mobile phone restrictions immediately and consistently.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The headteacher is responsible for monitoring the policy and reviewing it every year and holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly and clearly communicate the reasons for prohibiting the use of mobile phones.

4. Use of mobile phones by staff

The DfE's mobile phone guidance says that staff should not use their own mobile phone for personal reasons in front of pupils throughout the school day. All schools should be mobile phone-free environments by default: anything other than this should be by exception only.

4.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to use their personal mobile phone during the school day, while pupils are present / during contact time. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staff room).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time, for personal reasons. For instance (this list is non-exhaustive):

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number as a point of emergency contact.

4.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Gemini).

4.3 Safeguarding

Staff must not give their personal contact details to parents/carers or pupils, including by connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils.

Staff must not use their personal mobile phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil. If it is necessary to take photos or recordings as part of a lesson / school trip / activity, this must be done using school equipment.

4.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones or a similar device during the school day in front of pupils for work. Such circumstances may include, but are not limited to:

- Use of multi-factor authentication
- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil
- Refrain from using their phones to contact parents/carers. If necessary, contact must be made via the school office

4.5 Sanctions

Staff that fail to adhere to this policy may face disciplinary action. (See the Trust Disciplinary Policy)

5. Use of mobile phones by pupils

Pupils must not use their mobile phones during the school day, including during lessons, in the time between lessons, at breaktimes and at lunchtimes.

Only pupils in Years 5 & 6 who arrive or walk home alone are allowed to bring a mobile phone to school. This must be given in at the school office at the start of the day, where it will be kept securely in a locked cupboard. These should then be collected at home time. Mobile phones must not be used on school premises at the beginning or end of the day.

Pupils will be taught the risks that are associated with the use of mobile phones, both in school and more broadly, to make sure they understand the decision to prohibit the use of mobile phones throughout the school day. These risks can include a loss of focus in lessons, classroom disruption and an increase in bullying. Pupils will be encouraged to see a mobile-phone free environment as desirable and valuable.

5.1 Use of smartwatches by pupils

The DfE's statutory [mobile phones guidance](#) includes in the term 'mobile phones' all devices with communications and smart technology that the school chooses to include in its policy.

Smartwatches are wristwatches with smart technology in them. They can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smartwatches have wellness and health-related features.

Pupils at St. Ethelbert's are not allowed to wear a Smartwatch in school.

5.2 Sanctions

If a child breaks these rules, then the mobile phone will be confiscated (as permitted under the Education & Inspections Act 2006 – sections 91 & 94). Parents will be contacted and ask

to collect the phone in person. If the rule is broken more than once, then the pupil will not be allowed to bring the phone to school at all.

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- Making of or sharing nudes and semi-nudes including images that are digitally altered or wholly generated using AI (such as 'deepfakes' or 'deep nudes')
- Upskirting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

6. Use of mobile phones by parents/carers, volunteers and visitors

Parents and carers are encouraged to reinforce and discuss this policy at home as appropriate, including the risks associated with mobile phone use and the benefits of a mobile phone-free environment.

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's at a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, when working with pupils or while children are present

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers
- Take photos or recordings of pupils, their work, or anything else that could identify a pupil

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, but must refer any proposed sanctions to a member of staff, as they do not have the power to confiscate devices.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on their personal mobile during the school day.

7. Loss, theft or damage

Pupils bringing mobile phones to school must make sure that their phones are appropriately labelled, ready to be stored away securely in the office cupboard when not in use during the school day.

Pupils must secure their mobile phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or while pupils are travelling to or from school.

Parents will be made aware of this disclaimer when they request permission for their child to walk to and from school alone.

Confiscated phones will be stored in the school office, as outlined above. In this case, school becomes responsible for the phone and can be held responsible for loss, theft or damage.

Lost phones should be returned to the office staff. The school will then attempt to contact the owner.

8. Monitoring and review

The school is committed to making sure that this policy has a positive impact on pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from staff
- Records of behaviour and safeguarding incidents
- Relevant advice from the DfE, the local authority and any other relevant organisations

September 2026
