

R.E and Collective Worship:

Branch 5: To the Ends of the Earth: pupils will learn how the Holy Spirit helps people to live with love, courage and faith, and how Pentecost marked the beginning of the Church's mission.

Branch 6: Dialogue and Encounter: pupils will learn about the Good Samaritan, explore how Christians are called to show love and kindness to everyone, and begin to understand Jewish beliefs and practices.

Maths:

- **Fractions** – children will learn about parts and wholes. They will also be able to find and recognise halves, quarters and thirds as fractions.
- **Time** – during this topic children will learn to tell the time on an analogue clock.
- **Statistics** – pupils will learn to draw and interpret pictograms.
- **Position and Direction** – children will learn about directional language and describing turns.

D.T / Art

- **Art: Weaving** – Pupils will learn about Matariki weaving. They will learn about famous paper weaving artist Gunta Stoltz. During the topic children will learn to weave with different materials.

- **DT: Puppets** – Pupils will research different types of puppets and develop basic sewing skills like a running stitch and an over stitch. They will design and make the own hand puppet.

Science:

Plants – pupils will observe plants and record what they see. They will learn about the lifecycle of a flower and how to plant and care for them. Through experimentation, pupils will investigate the things plants need to grow and be healthy.

Materials – Pupils will learn to identify, classify and record the uses of everyday materials. They learn how we can change the shape of different materials.

Year 2 Summer Term Overview Mr Walsh

Geography

- **Why do we live being beside the sea so much?** – pupils will identify and begin to understand the key physical and human geographical features of the seaside. They will learn that the seaside is one example of where the land meets the sea.

PSHE: Being My Best /
Growing and Changing

P.E: Athletics and Tactics
and Strategies.

Music: Class Saint Songs

English:

Fiction – Mavis the Bravest, Meerkat Mail.
Non-Fiction – Recount and Non
Chronological Report.

Children will consolidate learning through throughout the year of the different word classes. They will carry on using the different conjunctions we have learnt about so far. Pupils will focus on using contractions and commas in a list in their writing and using exciting adjectives to describe.

Reading: Whole class guided reading with a focus on fluency. Children will continue to develop their comprehension skills.

Phonics / Spelling

Children will continue to develop their phonics skills and applying this to different spellings rules.

Class Readers:

Computing:

- **Information Technology** – Children will continue to develop the skill of logging in to a variety of programmes. They will learn to search using the www. They will learn about Tim Berners Lee and how he developed technology.
- **Project for Digital Literacy** – children will use their digital literacy skills they have learnt to complete a project.
