

## National Assessments

2023-2024

### 2024 Phonics Screening Check

At the end of Year 1, pupils undertake the Phonics Screening Check, through which their recognition of phonics (sounds) is tested. Any child who does not reach the national standard will re-take the test at the end of Year 2.

#### Year 1:

Number of pupils reaching the threshold by the end of Y1 in 2024	Percentage of pupils reaching the threshold by the end of Y1 in 2024	National Average
19/27	70%	80%

#### Year 2 Re-takes:

Number of pupils reaching the threshold by the end of KS1 in 2024	Percentage of pupils reaching the threshold by the end of KS1 in 2024	National Average
22/29	79%	95%

### 2024 End of Key Stage 2 Assessments

During a week in May 2024, Y6 pupils sat tests for mathematics; reading and grammar, punctuation and spelling, which assessed each child against the national standard (a scaled score of 100). In Key Stage 2, the papers were marked externally, whilst performance in writing was judged solely by teacher assessment. Here is a summary of our Y6 results for the 2024 tests; a scaled score of 110+ indicates that a child is working at a higher standard than the national expectation.

For 2023/2024, there are no progress measures, due to the disruption caused by Covid.
