

12TH February 2025

Dear Parents/Guardians

There will be a Parents' Evening for all children from Y1 to Y6 on Wednesday 26th February from 3.15pm until 6pm.

You are very welcome to come and view your child's work and discuss his/her progress with the class teacher. To save you the inconvenience of a lengthy wait to see the class teacher we will work on an appointment system. Therefore, I would ask you to return the slip by the morning of **Friday 14th February** **to** the school office indicating if you will be attending the Parents' Evening. If you have a particular preference of time please state and we will then try to allocate a suitable appointment, this will operate on a first come basis. If no time is stated we will allocate a time that is available. You will be advised of your appointment times via a slip which will be sent home via your child. (Please note that after 4.00 pm there will be no provision for childcare in school so we ask that, where possible, children be left at home. Staff are unable to supervise pre-school children and other children who do not attend our school)

Appointments will only be made if a returned slip is sent back to school.

Mrs Kirkham & Mrs Munro will be available in the office if you wish to update your emergency contact details. **It is vital that school is able to contact you in the event of an emergency or so that absences can be authorised. With effect from May the texting system will be obsolete, and all communication will be via email from Arbor. It is imperative that we have your correct email address to send all communication to you. Please complete slip below and return to school. If you change your mobile phone number or email address please ensure that you inform school immediately. If your child is absent you must notify school on the first day of absence.**

Mrs M Messham
(Headteacher)
