

R.E and Collective Worship:

- **Pentecost** – We will discuss the way we live our lives, the way we treat other and how, by our actions, show if we have an attitude of service.
- **Reconciliation** – Children will develop an understanding of the Sacrament of Reconciliation is a celebration of God's love and mercy; it is about the forgiveness of sin and being reconciled with God and one another.
- **Multi-Faith Week** – The children will gain a better understanding of other faiths including Judaism and Islam.

Science:

- **Light** – During this unit, children will learn that there are a variety of light sources and learn how surfaces reflect light. We will learn about parts of the eye and how shadows are formed.

English:

Fiction – The Barnabus Project – we will use this text to develop our sequencing skills and to write our own adventure stories.
The Great Kapok Tree – this text will link to our geography unit and will develop discussions around conservation of the rainforests.

Non-Fiction –

Information Texts – I Wonder Why Roman's Wore Togas – we will use this text to create our own information pages on the Roman invasion.
Escape from Pompeii – we will use this non-fiction text based on real events to write eyewitness accounts and information pages about the events.

Maths:

Fractions – we will be developing skills to find unit and non-unit fraction of amounts including decimals.

Time – Children will be learning to tell the time to the hour, half hour and quarter if an hour before we will move on to reading the time to the nearest 5 minutes.

Shape – Children will learn about right angles as well as horizontal, vertical, parallel and perpendicular lines.

Statistics – Children will develop their skills of drawing and interpreting bar charts and pictograms.

Arithmetic – We will continue to work on the arithmetic skills of the 4 rules of number.

Year 3 Summer Term Overview Miss Murphy

History / Geography

- **Geography** – Rainforest – we will be developing knowledge of Rainforests. This will include map and co-ordinate skills using globes and atlases. We will also be learning about the physical features of a rainforest and the deterioration of the environment and its inhabitants.
- **History** – The Roman Invasion – The children will learn about how the Roman invasion progressed and the impact this had on Britain then and now.

Reading:

- We will be focusing on sequencing skills whilst continuing to develop retrieval and inference skills.

MFL - French

- Carnival and playground games – revisiting core language.
- Going on a picnic – nouns for different food and drinks.

Class Novel:

D.T / Art

* **Art** – Animal Creations – we will be using geometric pattern to create a variety of animal images using colour through a variety of mediums.

* **D.T** – Textiles – we will be developing our sewing skills to use an over stitch, running stitch and a back stitch to create a money container.

PSHE: Being My Best

P.E: Sending and receiving and Athletics.

Music: Percussion and musical patterns.

Computing:

- **Information Technology:** we will learn how search engines help us to find information and develop understanding of keeping ourselves safe online.
- **Digital Literacy:** Develop touch typing skills and apply this to the use of PowerPoint and other online apps.
