We also spent time creating models of Mary and Angel Gabriel so we could use them to retell the Scripture.

"I made a model of Angel Gabriel. Do you like how I made the wings?"

"I made a model of Mary. I think she is beautiful."

"This is my model of Angel Gabriel."

"This is Mary. She said yes to God."

"I made Mary's house out of a box."

In the Scripture, Luke 1: 26-38, Angel Gabriel says a lot to Mary so to help us to remember the key things, we thought-up actions.

Year 1 Celebration of the Word: 'Always say Thank you'

## GOSPEL

LUKE 17:11-19

On the way to Jerusalem Jesus was passing along between Samaria and Galilee. And as he entered a village, he was met by ten lepers, who stood at a distance and lifted up their voices, saying, 'Jesus, Master, have mercy on us.' When he saw them he said to them, 'Go and show yourselves to the priests.' And as they went they were cleansed. Then one of them, when he saw that he was healed, turned back, praising God with a loud voice; and he fell on his face at Jesus' feet, giving him thanks. Now he was a Samaritan. Then Jesus answered, 'Were not ten cleansed? Where are the nine? Was no one found to return and give praise to God except this foreigner?' And he said to him, 'Rise and go your way; your faith has made you well.'

Jesus and the ten lepers

We talked about what we can say thank you for:

*"We can say thank you for the gorgeous birds."  
~ Lola Grace*

*"I can say thank you for my friends."

Year 1 RE - Branch 1, Lesson 6

'Thinking about Prayer'

We talked about what prayer looks like in our faith and in our community. We learnt that prayer is a way people can feel closer to God.

We read part of the Creed and then thought about the **visible** things that God made and the **invisible things**.

In this photo, we are using magnifiers to look even closer at the beauty of God's creation.

## RE - Topic: Reconciliation - LF5 Say Sorry

In this lesson, we learned from Levi and Zacchaeus about how to say sorry in the right way by acknowledging our mistakes and changing our behaviour.

We then practised what we'd learned by doing some role play.

Think about a time when you met Jesus. Maybe it was through a person who showed you great love. Perhaps it was at Mass or listening to a Bible reading and you knew that God was speaking the words to you. Maybe it was in something that happened to you - something special or unexpected that told you that God loves you. Write it down and keep it somewhere safe. One day in the future the Holy Spirit could prompt you to read it again and remember the truth that Jesus is with you.

We simplified the mission and chose classmates who behave like Jesus.

November 30<sup>th</sup> is St. Andrew's feast day.

We read from the Bible to learn more about this important disciple.

We learned that Andrew was a fisherman, he was Peter's brother and he connected people together.

We thought of how we could make our prayer focus showing Saint Andrew making connections and introducing people to Jesus.

We decided that our mission would be to try and be more like Saint Andrew.

We thought we could invite people to play our games at dinner time and if friends fall-out, we could think of ways to help mend their friendship.

Here, our task was to think of how Mary might have felt and write that as a sentence.

Year 1 RE  
"Belonging" Topic

We learned more about Baptism through role-play.

We enjoyed being proud parents and godparents (and a priest).

Baptism is a way of celebrating that we belong to God's family.

Year 1 RE  
"Belonging" Topic

We have watched videos; we visited church and have been thinking about our Big Question and know that godparents help the baptised child to live close to God.

We belong to God's family.

Today, we designed beautiful Baptism Candles. We learned that Jesus is the light of the world and when you are baptised, you live in His light and should spread it through kindness.
